Tuition Statement and Policy Agreement

I understand that in order for my child to be a registered student I must include:

- A non-refundable \$60.00 registration fee
- One month's tuition as deposit to be applied to the final month's tuition due in May

I understand that all requests for refunded deposits must be made in writing no later than August 1st.

I understand that the one month's tuition deposit will applied to the final payment due in May

Tuition is divided into 9 equal payments with payment #1 due prior to September 15th and payment #8 due in April, payment #9 will be the tuition deposit and applied in May.

Tuition can be paid in full prior to August 31st and will receive a 5% discount

I understand that if at any point during the school year if I need to withdraw my child that a refund will not be issued and 30 days' notice is required.

I understand that no refunds are given for illness, vacations, or emergency school closings. I understand that days missed for illness, vacations, or school closings will not be made up.

I understand that being 30 days behind in tuition payments may result in exclusion from the program until payment is made.

I have read and understand the tuition statement and policy agreement as outlined above.

5 Full Days		\$705

Child's Name _____

Child's Birthdate _____ Child's Age _____

Half or Full Day _____ Number of Days Attending _____

If attending 4 days, please note which days _____

Program Overview

3 Day a Week 3s- *Child must be 3 by December 31st and toilet independent*

Meet Monday, Wednesday and Friday and focus on social skills, adapting to classroom routines, and small group learning. Students learn to recognize letters, refine pre-writing and pre-reading skills and improve small motor skills.

3's Class- *Child must be 3 by December 31st and toilet independent*

Similar to our 3 day a week class the focus is on social skills, adapting to classroom routines, and small group learning. Students learn to recognize letters, refine pre-writing and pre-reading skills and improve small motor skills.

4's Class- *Students are 4 by September 1st or have attended a 3s class at Advent*

The 4's class prepares students for kindergarten using curriculum inspired by Foundations, Handwriting without Tears and a variety of math and STEM sources. Our focus in this class is developing verbal self advocacy, problem solving and preparing students for the next step in their education.

Pre-K- *Students are 5 by December 31st*

Our Pre-K program is designed to serve students that have been in preschool at least one year. This class uses curriculum similar to our 4's class with more challenging opportunities for students that are ready. There are more opportunities for independent learning and play, and lots of small group instruction.

Advent Preschool serves students of all abilities and needs. We adapt our classrooms and small group instruction to best serve the students in our school. Classes are assigned using a variety of factors, your child's birthdate is the starting point but not the only guide to which class they may be most successful in.
